

Cargo Nets

20' X 20' Military Explosion Net

Olympic cargo nets are built of 1 3/4" wide nylon webbing and have a standard working load limit of 4500# vertical basket.

Standard sizes:

4 ft x 4 ft

6 ft x 6 ft

8 ft x 8 ft

10 ft x 10 ft

12 ft x 12 ft

Can also be built to custom fit your size needs.

Standard specs:

- Made with 6 inch centers to create a 4.5 inch mesh.
- Soft eyes in all four corners for easy lifting. Alloy links are available in corners upon request.

We can custom make all nets per your specifications.

Cargo nets can also be used as tiedown nets, barrier nets or lifting nets. Please contact us at 1-800-437-5464 for pricing.
